

Choose one of the following creative tasks. You may work with a partner.

→ Be prepared to present your task on **Date xyz**

→ Hand in your results via E-Mail until: **Date xyz**

(The creative task will be an additional contribution to your grade 😊)

1. **Create an EduMap** on the different characters in the novel *Notes from the Midnight Driver*. Make one post to present each of the main characters (Alex, Sol, Laurie), their characteristics and their development. Feel free to include pictures or drawings of what you imagine them to look like.
2. **Use Zeeob** (<https://zeoob.com>) to create one of the following products. Make sure to **present the characters realistically** according to their characteristics and their behavior. Use your background knowledge!
 - The **Snapchat Simulator** or the **Whatsapp Simulator** to show Snaps / a conversation between Alex and Laurie as an end to their story
 - The **Facebook Simulator** or the **Instagram Generator** to create a Facebook page / Instagram account for Laurie or Alex
3. Take notes and / or create a timeline of the most important events in the novel *Notes from the Midnight Driver*. Then use **My simple show** (<https://videomaker.simpleshow.com/de/>) to create a video explaining the plot of the novel *Notes from the Midnight Driver*.
