

# Study time exercises: LW 22/23

In this and the next week, you will work your way through the texts Unit 3 by yourselves, either with a partner or alone.

We'll read the first text together (At the marine reserve) and you will read through the rest during study time.

These texts include:

- (At the marine reserve (p. 66))
- At the Starview Hotel L.A. (p. 72)
- Star Review (p. 73)
- Wildfire! (p. 79)

Then, you create your own **NETFLIX** series: Write a short text for the "Title" page and then, sum up each text for your own California Series (1 Season, 4 episodes). Find a title for this new series, suitable titles for each episode and good adjectives that qualify your series (romantic? funny? thrilling? haunting?)

This study time exercises is due on Feb 5th.

Additionally, you will have to learn the words from Unit 3.
